

ENDURE XXL

16 ounce: \$19.95

1 gallon: \$119.95

Semi-Permanent Surface Protectant with an Extreme Shine (for all hard surfaces).

In our opinion, "Endure XXL creates a protective layer and shine, second only to our ceramic coating." Apply it in minutes to a clean surface!

It creates a lasting protective layer between your surface and the longer term damage nature can and will do.

In CroftgateUSA tradition the application is easy and quick, allowing long term protection and shine. Re-Bonds with itself upon later applications to continuously extend surface protection and shine.

- For all hard surfaces
- Free of petroleums

Recommendation For Use:

First Time Users: Follow Step #1 & 2 on a small area to see and feel the product work.

Use on a clean surface!

Step 1: Spray 2 to 3 sprays onto a folded microfiber towel and wipe over surface to be treated.

Step 2 : Remove any remaining residue with clean dry microfiber towel.
